F. Member Ordered to a College. An enlisted member, who is selected for separation to pursue an undergraduate degree through the ROTC scholarship program is entitled to travel and transportation allowances to the college.

The above change should appear in JFTR change 144 dated 1 December 1998. (End 1)

This change removes the restriction on shipment of FPOVs. These determinations are effective 18 November 1998. (End 4)

**EDITORIAL CHANGE: CAP Item 45-98E - Use of ITO's by Contractors & Contract City Pair Program.** The city pair fare contract, effective 1 October 1998, indicates that Government contractors (and contract employees) are not eligible for city pair airfares. The change clarifies and rewords item 10, C6000 and JFTR. Par. U7700, under restrictions, to allow for contractor eligibility for city pair air fares, while traveling under the ITO on Invitational Orders (at government expense). This change should appear in JTR change 400, dated 1 February 1999. (End 5)

**MAP Item 57-98(E) — Muster** Duty Allowance for muster duty if that duty is at least 2 hours. The amount is 125 percent of the average CONUS per diem rate in effect on 30 September of the year proceeding the calendar year duty is performed. The rate needs to be updated for 1 January 1999.
